Longer hours for sale of tickets

4642. SHRI YERRA NARAYANASWAMY: Will the Minister fo RAILWAYS be pleased to state:

(a) whether there is any proposal to have longer hours for ticket sales at important Railway stations like Vijayawada and Rajamundry;

(b) if so, what logistic problems are there in keeping ticket selling hours open till 10 P.M. every day;

(c) whether South Central Railway will consider organising more longer hours for sales of Railway tickets; and

(d) the steps Government propose to take in this regard?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) to (d). Booking Windows for unreserved tickets are kept open round the clock at all important stations like Vijayawada and Rajamundry. At other stations these are opened two hours before the scheduled arrival of the trains. Additional Booking counters are opened to meet the rush of passenger traffic during summer rush period and melas and festivals and also on day to day basis whenever necessary and feasible.

The working hours of the reservation counters in the computerised passenger reservation offices on Indian Railways are from 0800 to 2000 hours. After this time the computer system has to be utilised for generating accounting reports and performing other critical functions which need to be carried out prior to the opening of reservation on the subsequent day.

Impact of unigauge policy on freight movement in SC Railway

4643. SHRI YERRA NARAYANASWAMY: Will the Minister of RAILWAYS be pleased to state:

(a) whether there has been any visible impact on freight movement in 1994-95 due to progressive implementation of the unigauge policy in South Central Railway; and

(b) if so, the details of increase in freight on the newly converted broad-gauge sectors in S.C. Railway?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) Yes, Sir

(b) On S. C. Railway gauge conversion works have been completed between Manmad-Parbhani-Parli facilitating through movement of BG trains from Manmad to Secunderabad and Wadi. The details of average wagon inter-change at Manmad and Parli are as under :

	92-93	93-94	94-95	%increase during 94-95 over 92-93
Manmad	85	105	289	240
Parli	35	182	170	386

Impact in respect of other converted sectors could be assessed when the balance conversions are completed to establish a complete BG freight traffic route

Cost and benefit of uni-gauge policy

4644. SHRI YERRA NARAYANASWAMY: Will the Minister of RAILWAYS be pleased to state:

(a) whether any comparative study has been done on the cost and benefit of unigauge policy vis-a-vis doubling of one track sector;

(b) if so, what are the findings of the study;

(c) whether there is any ground for giving more emphasis to doubling of single track rather than pursue the unigauge policy; and

(d) the details of any assessment done on this comparative advantage?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) and (b) The cost of doubling comes to about Rs. 1 cr. per km. while the cost of Gauge conversion is about Rs. 651 lakhs per km. The carrying capacity of broad guage is double that of metre gauge and immediately on conversion the section has double the capacity and can thus handle that much additional traffic.

(c) and (d) Gauge conversion is a more economic means of capacity generation on sections where the converted section will provide alternative routes of similar or shorter lengths. In all other cases when the capacity of single line sections gets saturated, doubling has to be taken up.

Conversion of Rail bridge into road-cum-rail bridge in Rajamundry

4645. SHRI YERRA NARAYANASWAMY: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal to convert the third Railway bridge at Rajamundry across the Godavari River into a road-cum-rail bridge;

(b) if so, the dteails thereof;

(c) whether it is technically possible to effect this conversion at this juncture;

(d) whether any study has been commissioned by the Railways to fix costs of such a conversion; and

(e) if so, the details thereof?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) No, Sir.

(b) Does not arise.

(c) and (d) No, Sir.

(e) Does not arise.

Increase of revenue in Vijayawada Division

4646. SHRI YERRA NARAYANASWAMY: Will the Minister of RAILWAYS be pleased to state:

(a) what has been the annual increase of revenue in the Vijayawada Division of South Central Railway during the last three financial years;

(b) whether the Railways are making any plans to correspondingly increase facilities for both passenger and transporters of goods; and

(c) if so, the details thereof?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) Revenue (earnings) of Vijayawada Division, compiled on originating basis during the year 1992-93, 1993-94 and 1994-95 alongwith the percentage increase/decrease over the earlier years, are furnished below:—

(Rs. in crores)

Year	Earning	Percentage increase over previous year
1992-93	218.75	-3%
1993-94	220.29	28%
994-95	300.35	7%
